Regional Touring Program: Application Guidelines

Rolling Deadline: Applications are accepted at any time between July 1, 2023 and June 30, 2024

Mid-America Arts Alliance (M-AAA) strengthens and supports artists, cultural organizations, and communities throughout our region and beyond. We value equitable policies, accessible programming, inclusive practices, and celebration of the rich diversity of our region that enriches the cultural life of historically underserved communities by providing high quality, meaningful, and accessible arts, culture programs and services of all individuals and groups including those serving:

- African Americans
- American Indian and Alaska Native Tribes
- Asian American and Pacific Islander
- Hispanics
- Historically Black Colleges and Universities
- People with Disabilities
- Tribal Colleges and Universities

The program is provided through generous support from the National Endowment for the Arts (NEA), CFDA #45.025 Promotion of the Arts Partnership Agreements. M-AAA invites eligible in-region cultural organizations (also known as the “Presenters”) to apply for this grant funding to support projects bringing touring artists to their state.

PROGRAM OBJECTIVES

The objective of the Regional Touring Program (RTP) grant is to support projects by presenting organizations showcasing the work of touring artists from elsewhere in the M-AAA region. Presenters must be incorporated in M-AAA’s six-state region (Arkansas, Kansas, Missouri, Nebraska, Oklahoma, and Texas). See Applicant Eligibility Requirements.

The RTP grant is designed for projects to engage and deepen the impact of arts programming for M-AAA regional audiences through exposure, interaction, and outreach engagement that occurs between M-AAA’s
fiscal year: July 1, 2023 and June 30, 2024. This grant will disburse matching funds of up to $5,000. See Project Eligibility Requirements.

PRESENTER GRANT CONSIDERATIONS

● Presenters that book an artist listed on a state touring roster may be awarded up to 50 percent of the artist’s fee.
● Presenters that book an artist that lives in the region, but is not listed on a touring roster, may be awarded up to 25 percent of the artist’s fee.
● Presenters located in rural communities may receive an additional 10 percent of the artist’s fee (or financial support of up 10 percent of the grant amount) will be awarded by M-AAA if the applicant organization is located in a rural community. Rural status is determined by the Department of Commerce’s Metropolitan Statistical Area Rating and is generally defined as having a population of less than 50,000 people in the applicant’s service area.

Presenters may book artists of any discipline and grants require two (2) public-facing activities that builds an appreciation for the featured artist or their creative discipline:

1. A feature presentation (e.g., concert, performance); and
2. An outreach engagement (e.g., artist talk, master class, workshop) to involve the general public in the work of the featured artist or educate an audience about the art form.

Awards are directly presented to in-region organizations and restricted to support the direct costs specified in the artist contracts. Applications will be assessed based on the artist’s fees stated in the fully executed contract held between the artist and the presenter on a first-come, first-served basis until the allocation for each state is gone across M-AAA’s six-state region.

ARTIST GRANT CONSIDERATIONS

Although RTP grants are awarded directly to presenting organizations, touring artists from outside the presenter’s state but within M-AAA’s service region can help market their programming by taking the following steps:

● Each state’s touring roster includes artists working in conjunction with our state arts agency partners to bring arts experiences to wider audiences. To be included on your state’s roster, artists should contact or register with their state arts agency’s touring roster.
  ○ If you are already registered, make sure all relevant contact information is up to date.
● Artists can request a list of Organizational Grantees that have taken advantage of this grant by completing a Records Request Form at https://www.tfaforms.com/4624785.
● Create a website and ensure all relevant contact information is up to date. Note, Presenters are required to submit a link to your website as part of the application process.
● Artists can use the following marketing flyer to download and promote their programming at https://www.maaa.org/wp-content/uploads/2023/06/RTPpostcard_2023.pdf.

PROJECT ELIGIBILITY REQUIREMENTS

A successful RTP project is to engage and deepen the impact of arts programming through exposure, interaction, and outreach engagement that occurs in M-AAA’s six-state region to the applicant’s audience.

While M-AAA’s preference for public-facing activities remains in-person experiences of the artist or ensemble, we ask that applicants plan in-person experiences. We recognize that in-person projects might not be possible given ongoing public health concerns surrounding COVID-19. In light of the ongoing COVID-19 public health crisis, online live streaming activities are reasonable accommodations to provide programming to audiences in a safe manner.

For the purposes of the grant application, applicants and touring artists are urged to include a termination clause in all project contracts that states the fulfillment of the contract, and any contingencies upon local public health authority guidance or financial resources pending funding from M-AAA or others. In consideration of the public health scenarios where fully executed contracts (e.g., Letter of Agreement/Intent or Memorandum of Understanding) may be difficult to obtain, drafted documentation that reflects tentative project details can be submitted with the application for consideration.

Eligible projects must:

1. Include artwork that spans one or more creative disciplines including, but not limited to:
   - Folk/Traditional Arts (Crafts, Visual Arts, Dance)
   - Dance/movement (Ballet, Ethnic, Jazz, Tribal, Modern)

   - If you are in the process of finalizing an Artist Contract at the time of submitting your application, you will need to provide a draft of the Contract or a Letter of Intent for our review and records. Note, award decisions require a fully executed artist contract on file. Prior to the issuance of grant funds, a copy of the fully executed Artist Contract is required for M-AAA to award the grant amount requested.

5. Have a grant request of no more than $5,000. Applicants are encouraged to request an amount that is reflective of the artist’s fee and their capacity to manage the grant;
   - Grant funding may **not** be used for indirect project costs. Funds **must** be used exclusively for direct project expenses incurred in the artist’s fee and production of public-facing events.

    - Other funding sources such as, in-kind goods/services; Federal and other federal funded M-AAA grants for the project should be noted in the budget but cannot be used to fulfill payment of the artist’s contract fee nor meet the 1:1 match requirement.

Projects not eligible for consideration include but not limited to:
- Artists from the same state in which the applicant organization is incorporated;

APPLICATION REVIEW AND FUNDING SELECTION CRITERIA
An application will be deemed ineligible if it is incomplete at the time of submission or does not meet the Applicant or Project Eligibility Requirements. Ineligible applicants will be notified by M-AAA with rationale to help the applicant adapt for future submissions.

If deemed eligible for consideration, applications are evaluated by a staff member based on applicant and project eligibility such as the artist’s fees stated in the contract held between the artist and the presenter on a first-come, first-served basis until the allocation for each state is gone across M-AAA’s six-state region.

Review of application materials are evaluated on the following criteria:
- Applicant eligibility
- Project eligibility*
- Availability of funding*

*M-AAA requires a 1:1 dollar-for-dollar match for the RTP grant. The 1:1 match must be reflected in the M-AAA grant application. Grant requests are limited to $5,000. Applicant organizations must show evidence of a cash match.
GRANT AWARDS
Matching grants awards of up to $5,000 will be distributed on a first-come, first-served basis, until the allocation for each state is gone. M-AAA requires a 1:1 dollar-for-dollar match for the RTP. The 1:1 match must be reflected in the application. This grant supports 25-50 percent of in-region touring artists’ fees. We expect applicants to adhere to the terms of the touring artists’ contracts and to pay the remaining fees which is, in fact, the 1:1 dollar-for-dollar match.

The RTP grant funds derive from federal funds from the NEA. An organization may not receive this award and a direct grant from the NEA or another Federal agency for the same project during the same or an overlapping grant period of activity. However, if the organization receives funding from non-federal M-AAA funders, it will not impact M-AAA funding eligibility if selected for awarding. If the organization is selected, they will enter into a grant agreement with M-AAA. The agreement will outline the terms and conditions, including federal regulations, project and crediting requirements of the RTP grant award.

GRANTEE REQUIREMENTS
Grantees must comply with all requirements as stipulated in the grant agreement, including, but not limited to the following:

a. Grantees are required to carry out activities consistent with the application as approved for funding.
b. Changes to funded activities must be proposed in advance by the Organizational Grantee and require written approval from M-AAA’s Director of Arts and Humanities Grant Programs prior to implementing project changes. Awards may be revised in light of such changes. Requests for changes are considered on a case-by-case basis; approval is not guaranteed.
d. Grantees must complete an online interim and final report form provided by M-AAA. The interim report denotes any new project developments that took place between the time of application and the start of the grant period of activity. The online final report form summarizes grant-funded activities and accomplishments at the end of the project activity period or at the end of the period of support, whichever occurs first;
e. Grantees must agree to credit acknowledgment of M-AAA and the NEA’s support in all promotional materials. To learn more visit, https://www.maaa.org/resources/grantee-crediting-requirements/;
f. Grantees are responsible for and must retain all records, receipts, and proof of expenses for a minimum of three (3) years following the grant period of activity and provide those documents to M-AAA or the NEA upon request; and

g. If awarded, the Grantee will not be eligible for a grant of $1,000 or more through any other M-AAA granting programs during the term of the RTP grant agreement;

Pictures and documentation must be uploaded into the online Final Report form.

We do not expect grantees to match any additional financial support received (e.g., 10, 25, 50 percent towards the artist’s fee) in the grant amount awarded. Grantees will only need to reflect a 1:1 dollar-for-dollar match of the grant amount requested in the Final Report.

Grantee’s financial records, supporting documents, and all records related to this M-AAA/NEA supported program shall be retained for a period of three (3) years from the date of the Final Report. Grantees who fail to acknowledge M-AAA and the NEA support online or in print materials for the project may not be considered for future funding opportunities. Visit and use the toolkit to help you manage and announce your grant from M-AAA at https://www.maaa.org/resources/for-grantees/.

All changes to a project must be submitted in writing to M-AAA before the public-facing activity takes place. M-AAA will work with organizations on project changes and/or cancellations such as identifying alternative artists on a case-by-case basis. Awards may be revised or revoked in light of such changes, per NEA’s CFDA #45.025 Promotion of the Arts Partnership Agreements).

Failure to comply with these requirements may result in suspension or termination of the grant award.
HOW TO APPLY
M-AAA accepts grant applications via an online form. Google Chrome or Firefox is the recommended web browser to use when working in the online application form. Occasionally it is useful to clear your browsing data or clear your cookies to maximize the functionality of the application platform. We recommend using the Application At-A-Glance to prepare your responses in Microsoft Word, Google Docs, or a similar note taking application to ensure you have a backup for reference as you proceed. While draft applications can be saved online, technology is not flawlessly reliable, we strongly recommend you prepare your narrative responses before working in the application form.

Data typed in the online application form can be saved for editing later by clicking “Save my progress and resume later” at the top or bottom of the application form webpage. Each time you save your application you will be asked for an email address and a password. And each time you save your application you will be sent an email with new instructions on how to resume your draft application. To resume the most recent version of your application refer to the most recent email in your inbox.

Applications are accepted at any time between July 1, 2023 and June 30, 2024 through M-AAA’s online application platform.

The application for Organizations can be found here:

https://www.tfaforms.com/4988526

We urge you to submit your application early to ensure your materials are properly received. The application platform may experience slower processing times when user traffic is higher as the application opens.

If you have accessibility needs for an alternate format or process for completing the application please contact: Angelette Sevart, Operations and Accessibility Coordinator at angelette@maaa.org or (816) 421-1388 ext. #216.
