

Artistic Innovations Grant Program - Work Sample List

Work samples are a required part of the application process to meet our eligibility requirements. Applicants are urged to provide at least 5 and up to 10 high quality work samples within the last 3-5 years, relevant to the project and alignment of this grant program.

Applicants can create their own work sample list document or utilize M-AAA's Work Sample template (see below). All supporting materials *must* be in Microsoft Word or PDF format.

Each work sample *must* include:

1. Names of artist/personnel (e.g., lead artist, partners) involved in the work;
2. Title of the work;
3. Date created, performed, or publication;
4. Medium and dimensions of the work;
5. Length of recording, if applicable;
 - You *must* explicitly note the exact time stamp designations of where to start and stop recordings (i.e., video or audio track) intended for panel review (i.e., 1:30 to 2:30)
6. Description of the work.
 - You *must* include a brief and concise summary, and how it relates to the grant or project in 1-5 sentences; and
7. Art websites and login credentials, if protected;
 - You *must* include website addresses of your work. If any of the URL addresses/links are password protected, please include any login credentials (e.g., passwords).

Note: Panelists will spend no more than 15 minutes reviewing eligible application materials.

Applicants experiencing trouble saving and upload files to the application form platform email us at: innovations@maa.org.
